By using 8 Ball Pool, you can play billiard now on your smartphone or tablet. Participate in single matches or tournaments against friends and players from all over the world, win trophies and buy new items and equipment. Play numerous matches and increase your rank in order to become the platform's best billiard player.

****8 Ball Pool – features: ****

- Play billiard on the move:** 8 Ball Pool is world's largest online billiard game. Play billiard on the move on your smartphone or tablet. In the app, same rules apply as in the original game: Sink balls and try to clear the field.
- Matches and tournaments:** Your main task in 8 Ball Pool is participating in matches and tournaments. You can either compete in single matches or participate in tournaments. Also tournaments up to eight persons are possible in the app. If you won a tournament, you'll receive a trophy or exclusive prizes like queues. In the matches, you can win so called Pool-Coins. With these coins you can participate in games with higher ranks or buy new items in the Pool-Shop. If you have little experience in playing billiard on mobile devices, you can acquire first skills in the so called practice arena.
- Increase your rank:** 8 Ball Pool is all about increasing your rank in order to play at exclusive venues and compete against better players. In order to reach a higher rank, you have to play and win matches.
- Challenge your friends:** Log in to your Facebook profile in the app to connect with your friends. Challenge your friends and start a thrilling duel. Show who is the best billiard player.

Conclusion: 8 Ball Pool is the optimal app for all passionate billiard players. Since the app offers you the possibility to practice in special arenas and since you can challenge your friends, the app is also great fun for billiard beginners. Participate in numerous matches and tournaments and proof that you have what it takes to become an online billiard professional.
