

PES 2018 PRO EVOLUTION SOCCER

****About PES 2018 Pro Evolution Soccer****

With PES 2018 Pro Evolution Soccer, players can enjoy a unique football experience on their smartphone or tablet. The app includes the latest information about the football season 2017/2018.

PES 2018 Pro Evolution Soccer allows you to experience the unique career of a football professional, coach or manager. In the app numerous football stars of the best national and international leagues are available, which you can choose in your team. Gather your friends, create your own league and compete against each other in local games and leagues.

****PES 2018 Pro Evolution Soccer - Features:****

- Create your own team: In PES 2018 Pro Evolution Soccer, you compete in exciting games against strong teams and players. To win as many games as possible, the members of your team are a crucial factor. There are numerous football stars from national and international leagues such as Messi, Suárez or Piqué available, which can be part of your team. You can engage your players either through scouts or through agents. Choose your players wisely, think strategically and win as many matches as possible.
- "Friend" feature: With the new "friend" feature, you can play online against your friends in real time. If your friends are near you, you can also compete against each other in local games or local leagues. Create your own tournament, invite your friends and start enjoying exciting soccer matches with your friends.
- Latest season: PES 2018 Pro Evolution Soccer has been updated to include the latest football season 2017/2018, in order that you can access the latest players and clubs. In addition, you stay well informed about the football season.
- Easy control: You can move your players by using either the "Advanced" or the "Classic" control. With the advanced control you can shoot particularly precise and controlled. The classic control is a kind of a virtual controller.

Conclusion: With PES 2018 Pro Evolution Soccer, football fans can experience the current football season up close. You can e.g. put together a strong team of football stars from national and international leagues and compete against other strong clubs. You can also create your own tournaments where you can compete with your friends.
