

Roll the Ball® - slide puzzle

****About Roll the Ball****

Roll the Ball is a puzzle game in which players have to move blocks to create a path from the start to the target block. The aim of the game is that a ball can easily roll from start to finish.

Roll the Ball is a puzzle game whose gameplay reminds of the famous board game "Labyrinth". You have to move blocks to create a path so that a ball can roll from the start to the red target block. There are also special riveted blocks on the field that cannot be moved. The fewer moves you need to create the path, the more stars you get for the level. Roll the ball can be played in a total of four different game modes and in many difficulty levels. If you play the game regularly, you will also receive great bonuses or gifts that you can use in the further course of the game.

****Roll the Ball - Features:****

- Move blocks: In Roll the Ball, your task is to create a path on which a ball can roll smoothly from the start to the red marked target block. To create a path, you must move blocks. But not all blocks can be moved: blocks in metal look are firmly anchored in place and cannot be moved. The fewer moves you need to create the path, the more stars you get for your achievements. In principle, you have no time limit when solving the levels. However, every tenth level has a time limit, which means that you have to create the path within a maximum of 20 seconds.
- Use helpful features: During the game you can use three helpful functions. The functions allow you, for example, to restart the level, undo moves or use hints. All functions help you to solve the level faster and easier.
- Many game modes and levels of difficulty: In order that you always play the game that suits your abilities and preferences best, you have many different game modes and levels of difficulty available. In addition to the classic game mode, you can also use the star mode, the shift mode or the rotation mode, for example. The difficulty levels of the game range from beginner to medium or hard. Each difficulty level contains 60 levels which have to be solved.
- Play regularly: If you play Roll the Ball regularly, you will receive great rewards and gifts. In this way you will be paid for your loyalty. Regular play is worthwhile.

Conclusion: Roll the ball convinces with a simple, but challenging gameplay, so that the game can also be played by younger players.
