

Words With Friends 2

****About Words With Friends 2****

Words With Friends 2 is a tricky word game for smartphones and tablets, in which players have to use letters to form words and achieve the highest possible score.

With Words With Friends 2 you can playfully expand your vocabulary. The gameplay of the popular word game is very reminiscent of the classic game Scrabble: In the game different letters are available, with which you have to form words. The longer and more complex the word, the more points you get. The special aspect about Words With Friends 2 is that you can compete in real time against your friends, relatives or against opponents from all around the world. In addition, new challenges await you every week where you can win badges.

****Words With Friends 2 - Features:****

- Form words: Words With Friends 2 is all about letters and words. In the game you have different letters available, with which you have to form words. The longer and more difficult your word, the more points you will get. While simpler letters such as vowels have a lower score, more difficult letters such as Q or Y bring extra points. Your goal is to collect more points than your opponent.
- Challenge Players: To start a game, you first have to challenge an opponent. You can either compete against your Facebook friends or relatives or search for the right opponent using the special Smart Match.
- Exercise in practice mode: In practice mode you will not compete against real opponents such as your friends, but against an artificial intelligence. You can play the practice mode also offline.
- Collect Badges: In Words With Friends 2, new challenges await you every week. If you master these tasks, you will receive badges that you can collect and present to your friends.
- Play in 6 languages: You can play Words With Friends 2 not only in English, but also in 5 other languages. Just choose whether you want to play the game in Spanish, French, Italian, Portuguese or German, and train your foreign language skills easily.

Conclusion: Words With Friends 2 convinces by a simple, but tricky gameplay. With the help of the app you can not only expand your own vocabulary, but also improve your foreign language skills. Words With Friends 2 is always entertaining and varied as you can play the game against your friends and family, and there are always new challenges awaiting you.
