Angry Birds 2 is the colorful sequel of Angry Birds and combines the known game principle with new features. Use the unique skills of each Angry Bird and try to break through the defense of the mean pigs who stole your birds' eggs. New in Angry Birds 2: Experience different spells with which you can weaken the pigs' defense and enjoy different multi-stage levels. **Angry Birds 2 – features: **

-**Known game principle:** Also Angry Birds 2 is all about breaking through the pigs' defense. Defeat the mean pigs who have stolen your birds' eggs. You have to catapult your birds towards the pigs in order to break down their defense. Each Angry Bird has unique skills with which you can bring down the pigs. New in Angry Birds 2: You can choose which bird is supposed to be catapulted towards the pigs. Strategic thinking is most important here.

-**Fill up the Destruct-O-Meter:** Crush blocks and fill up the Destruct-O-Meter. As soon as the Destruct-O-Meter is filled up, you earn extra birds with which you can attack the pigs' defense.

-**Use spells:** In Angry Birds 2 you cannot only use the skills of your birds but also unique spells to break through the pigs' defense. Use the power of Blizzards, Hot Chilies or Golden Ducks to break down the pigs.

-**Challenge players:** You can play Angry Birds 2 with friends and other players from all over the world by challenging them in different arenas. You can also participate in new tournaments every day in which you can earn feathers. Using these feathers, you can level-up your birds and make them even stronger.

-**Defeat Boss Piggies:** In Angry Birds 2 you will encounter the particularly mean Boss Piggies time and time again. In order to defeat the Foreman Pig, the Chef Pig and the Kind Pig, good tactic is needed.

Conclusion: Angry Birds 2 takes up the popular game principle of Angry Birds and adds funny and exciting new features: In this sequel you can use different spells in order to defeat the pigs or enjoy multi-stage levels.
