

Assassin's Creed Identity

****About Assassin's Creed Identity****

Assassin's Creed Identity is the first mobile game of the popular Assassin's Creed series. Players control an assassin who has to complete various missions and orders during the Italian Renaissance.

The game series Assassin's Creed is undoubtedly one of the most popular action role-playing games in the world. The mobile game Assassin's Creed Identity allows you to play the popular RPG on your smartphone or tablet. The gameplay is located in the Italian Renaissance. You play an assassin who has to fulfill orders and missions in different Italian cities. Your tasks are very versatile: For example, you have to kill target persons, protect important persons or search chests for specific objects.

****Assassin's Creed Identity - Features:****

- Create your assassin: As the name of the game already suggests, you control an assassin in Assassin's Creed Identity. When you design your own assassin, you have many options. You have to decide for a class first. Here you can choose between Berserker, Trickster or Thief. Then you can equip your assassins with different gear or strong weapons. The more items you collect during the game, the more choices you have here.
- Explore the Italian Renaissance: Assassin's Creed Identity plays in the Italian Renaissance. On your numerous missions and orders you will get to know different Italian cities such as Florence or Rome and famous buildings such as the Coliseum or the Church of Santa Croce. Jump, run and climb through the cities and discover the world of the Italian Renaissance completely free.
- Complete campaigns and orders: In Assassin's Creed Identity, it's your task to complete various campaign missions. So far, there are ten different campaigns available in the game. The tasks of your missions are versatile. For example, you have to kill certain people, escort important people to a place, or deliver secret messages. When you complete a mission successfully, you gain experience points. With these experience points, your Assassin can reach new levels and learn new skills. If you have completed all campaign missions, you can also fulfill smaller orders. If you have completed the orders successfully, you will receive great rewards.

Conclusion: Assassin's Creed Identity is an exciting action-RPG, which convinces by outstanding graphics and a large free game world.
