Candy Crush Soda Saga is the next game adventure from the makers of Candy Crush Saga or Farm Heroes. In this funny and fast puzzle game players have to switch and match candies to reach certain aims.

In Candy Crush Soda Saga you have to switch and match candies to bring them in a row. Match and switch colorful candies, create exceptional special candies and reach your given aim before you have no more moves. Due to its different ways to play and many levels, Candy Crush Soda Saga remains always exciting.

****Candy Crush Soda Saga – how does it work?****

-**Switch and match candies:** Your main aim in Candy Crush Soda Saga is switching and matching colorful candies to bring three of them in a row. If you match more than three candies, so called special candies arise. You complete a level by reaching the given aim before you have no more moves. Switch the sweet and colorful candies and create exceptional combinations.

-**Different ways to play:** In Candy Crush Soda Saga different ways to play await you so that the game always remains exciting and funny. Here you have the choice between the game modes Soda, Green Soda, Frosting or Honey.

-**New combinations:** Besides the common combination of three candies, you can create special candies with the help of other combinations. If you e.g. match four candies in a square, you make a Swedish Fish. If you match seven candies you create a special Coloring Candy. Besides these two examples, there are many other possible combinations.

-**Connect with friends:** You can play Candy Crush Soda Saga either alone or with your friends. If you use Facebook Connect, you can compete against your friends or compare your score. Compete against your friends and find out who has what it takes to become the candy master.

Conclusion: Candy Crush Soda Saga is a colorful game for young and elderly with high fun factor. Like other games by King, for example Candy Crush Saga or Farm Heroes, also Candy Crush Soda Saga convinces with a colorful design and a fantastic fun factor.
