

Don't Starve: Shipwrecked

****About Don't Starve: Shipwrecked****

Don't Starve: Shipwrecked is the new part of the hit game "Don't Starve: Pocket Edition". Unlike the first part, Wilson now has to survive in a tropical archipelago. The exotic climate and the new resources and creatures will challenge the player in a whole new way.

In Don't Starve: Shipwrecked, you play Wilson, who stranded on an island in a tropical archipelago. The aim of the game is to survive as long as possible. For this purpose, you have to explore the islands and search for new resources and food sources. The exotic environment is a new challenge for your character. The islands are teeming with dangerous creatures that want to attack you. The tropical seasons and the hot temperatures also challenge your character. In order to protect you from the dangers and challenges of the tropical islands, you must build new equipment and shelters. For the first time, shipping also plays a central role in the game. When you build a ship, you can explore new islands and find valuable resources in the sea.

****Don't Starve: Shipwrecked - Features:****

- Survive in a new environment: Don't Starve: Shipwrecked is set in a tropical archipelago. The tropical climate of the islands and the new creatures will pose new challenges. You once again play the role of the fearless Wilson, who wants to survive at any cost. For this you have to learn to deal with the dangers and peculiarities of the tropics. Explore the islands, learn about new resources and food sources, and flee from new and dangerous creatures that want to attack you.
- Build new equipment: In order to survive, you must protect yourself from dangers and collect resources. For example, new equipment or shelters can help here. On the islands you will find all the resources you need for the construction of weapons, tools or huts.
- Explore the oceans: For the first time, you have the opportunity to explore not just the land, but also the ocean. To set sail, you first have to build a working raft. At sea, you'll find valuable resources and shipwrecks that help you to improve your raft. Collecting is worthwhile: later you have a powerful ship equipped with weapons at your disposal. With a ship, of course, traveling the ocean is a lot more comfortable. In addition, a ship is better armed against dangerous creatures or other dangers. Set the sails and explore the tropical archipelago. On new islands you will also find new resources.

Conclusion: Don't Starve: Shipwrecked is a successful and challenging survival game that convinces by its beautiful game design.
