****About Endless Frontier Saga - RPG****

Endless Frontier Saga - RPG is an RPG adventure in which players have to fight in numerous online PvP games to defeat the Prince of Darkness.

In Endless Frontier Saga - RPG, you have a special mission to complete with the help of a powerful army, powerful monsters, and unique heroes. Your goal is to revive the so-called knighthood of dimensions and destroy the diabolical prince of darkness. The game does not only convince with a special clicker gameplay, but also with multiplayer battles and guild wars in which hundreds of players fight against each other in real time. Defeat your opponents, find great treasures and build the most powerful army in the country.

****Endless Frontier Saga - RPG: Features****

- Defeat the Lord of Darkness: In Endless Frontier Saga - RPG, you must complete a mission of great importance. After the Prince of Darkness defeated the knighthood of the dimensions many years ago, it is now your job to restore the old order. For this you not only have to revive the knighthood of the dimensions, but also destroy the prince of darkness once and for all.
- Fight against strong opponents: Since Endless Frontier Saga is an online role playing game, you'll face strong enemies throughout the game that you'll have to defeat. You can either use over 150 unique heroes or an army to fight enemies. You also have the opportunity to collect and train over 50 monsters, so you can use them in battles as well.
- Go to battles: In Endless Frontier Saga, you can play both in multiplayer battles and in guild battles. While the multiplayer battles have an unlimited number of participants, in the guild battles usually 200 against 200 players compete in real time against each other. You can also go to epic battles against the so-called dungeon bosses. If you defeat the dungeon bosses, you will be rewarded with rare treasures.
- Level Up: Unlike other online RPGs, your hero can always grow stronger in Endless Frontier. A level of strength that cannot be increased anymore does not exist. For example, your knights become stronger through revivals or your heroes through regular play.
- Explore the Border: As you explore the limit of Endless Frontier Saga, you have the possibility to find great treasures or rare relics to use in your future missions.

Conclusion: In Endless Frontier Saga exciting online PvP battles against thousands of players from all around the world await you.
