

FINAL FANTASY BRAVE EXVIUS

****About Final Fantasy Brave Exvius****

Final Fantasy Brave Exvius is an RPG that plays in the popular Final Fantasy universe. Players play a hero who must rescue the world of Lapis from its complete destruction. For this purpose, they have a team of strong fighters at their hand that can use not only combat techniques, but also magic incantations.

Final Fantasy Brave Exvius is a new adventure of the popular Final Fantasy series, designed specifically for smartphones and tablets. The RPG is set in the crystal world of Lapis, which is faced with ruin. Above all, bleak shadows that have spread over the city are responsible for this catastrophe. You have a clear mission in mind: you must banish the shadows from the city and restore peace. To fulfill this mission, you have a team of strong fighters at your hand. The heroes, you often know from previous Final Fantasy games, can use either magical incantations or other combat techniques. On your journey you not only have to defeat numerous enemies, but also explore new locations and hidden dungeons.

****Final Fantasy Brave Exvius - Features:****

- Experience an exciting story: Final Fantasy Brave Exvius takes you into the world of Lapis, which is dominated by crystals and visions. After years of peace, the world is now threatened by gloomy shadows. To prevent the downfall of your beloved home, you embark on an exciting and at the same time dangerous journey. Your mission is clear: you want to banish all shadows from the city and restore peace.
- Fight with your group: Like previous Final Fantasy games, Final Fantasy Brave Exvius also features a turn-based combat system. You usually fight with a team consisting of a maximum of 5 fighters. Your heroes can either perform magical incantations or use combat techniques. Build your team strategically and combine the skills of the magicians and fighters.
- Journey through the map: In Final Fantasy Brave Exvius a great and exciting world awaits you. Travel with your heroes over the entire map and discover new worlds, places, and hidden dungeons. On your exploration tours you can find helpful items, hidden paths or even new ways.
- Complete quests: During the game, city dwellers will keep contacting you and charge you with quests. When you complete a quest successfully, you usually receive items, Gil, or rare items as reward.

Conclusion: Final Fantasy Brave Exvius is not only for fans of the popular game series highly recommendable. Since there is always something new to discover in this exciting RPG, and your heroes can be constantly improved, the playing pleasure is almost limitless.
