

Hill Climb Racing

****About Hill Climb Racing ****

In Hill Climb Racing you have to help the driver to conquer the highest hills with his car. Handle the gas and brakes properly so that your car keeps its balance. Only like that you can make extraordinary stunts and bring the car safely to the target.

In Hill Climb Racing you slip into the role of Newton Bill the driver of a little red Jeep. You have to help Newton Bill to maneuver his car through an extreme hilly landscape. For this you have to handle the gas and brakes properly to keep the car on track. Risk cool stunts and beat the high score.

****Hill Climb Racing – features: ****

-**Maneuver your driver through hilly landscapes:** In Hill Climb Racing you are the ambitious driver Newton Bill who wants to maneuver this little red Jeep through hilly landscapes. In order that your car doesn't lose balance and tip, you have to handle gas and brakes properly. Take care that you never speed up too fast or that you brake too strongly.

-**Different vehicles:** If you don't want to race the hilly landscapes with the red Jeep, you can also use other vehicles. You can e.g. also use tanks or bikes for cool stunts. Besides you have the possibility to improve your vehicle. You can e.g. improve the engine power or the tires.

-**Meet new challenges:** Hill Climb Racing offers you many different levels. If you hear a special crack noise after a risky stunt or a driving manoeuvre, your driver didn't survive. But don't worry: After few seconds you can start the next try. Besides you can try the level again after you finished it. Like that you have the chance to score even more points. Try better stunts and beat the high score.

Conclusion: Hill Climb Racing is a funny game for young and elderly. In order that your vehicle doesn't lose balance and in order that you can make cool stunts, flair is required. Maneuver your car through various levels which remain exciting due to different designs and surroundings. Just use the links below.
