

Hitman Sniper

****About Hitman Sniper****

In Hitman Sniper, players play the role of a secret agent whose goal it is to solve numerous missions and to prepare assassinations and wipe out targets.

In Hitman Sniper, you experience the everyday life of a secret agent. Make plans, prepare spectacular assassinations, and complete secret missions. To eliminate important targets, you have the choice between 17 first-class sniper rifles. Not only more than 150 different missions, but also 11 exciting and ultra-secret contracts await you, where you have to prove your strategic approach.

****Hitman Sniper - Features:****

- Make plans: In Hitman Sniper, you step into the shoes of Agent 47, who has to complete numerous missions and contracts. In order to complete these missions successfully, the right strategic approach is crucial. Go to your luxurious home in Montenegro and make plans for how to eliminate goals most effectively. That's the only way you can be sure that nothing goes wrong during the assassination.
- Many missions and contracts: To keep the game exciting and varied, over 150 different missions and 11 unique contracts await you. Your assignments and contracts involve both planning and conducting assassinations as well as uncovering secrets and possible ambushes.
- Equip yourself: In order to eliminate targets as well as possible and to achieve very precise hits, the choice of the right weapon is particularly important. Altogether you have 17 different weapons, mostly sniper rifles available.
- Play against friends: Hitman Sniper can not only be played alone, but also against friends. If you score higher than your friends, you'll have the opportunity to reach Hitman Sniper's leaderboard and rise in your rank.
- Zombie Survival Mode: Even though zombies may seem odd in an agent game, they still make sense. The special zombie survival mode can be considered a special mission which helps you to improve your accuracy and, above all, your attack speed. Wipe out as many zombies as possible, react quickly and survive the fight.

Conclusion: Hitman Sniper is a varied agent game for smartphones and tablets, in which you have to prove your skills as a sniper. Master numerous missions and contracts, wipe out famous and important people, and reach the top of the leaderboard.
