## **\*\*About Limbo\*\***

Limbo is a puzzle game in which players have to guide a little boy through a black and white world. In search of his missing sister, the little boy has to solve tricky puzzles as well as dodge numerous dangers.

In Limbo you accompany a little boy who is looking for his sister. After his sister disappeared under mysterious circumstances, he finally wants to know what happened. To uncover this mystery, you must make it through the gloomy world of Limbo. On your way through the black and gray world, there are numerous puzzles which you have to solve. To continue your journey, you have to interact with your environment and solve all puzzles. In the world of Limbo, you will not only find tricky puzzles, but also many dangers. Be careful and try not to be attacked by dangerous animals or to fall into a trap. Make your way through numerous levels full of dangers and puzzles and find your sister.

## **\*\*Limbo - Features:\*\***

- Experience the world of Limbo: In Limbo, you help a little boy to find his missing sister. To uncover the mystery behind his sister's disappearance, the little boy enters the sinister world of Limbo. Your task is to guide the little boy through the dark black and gray world. Make your way through the levels, discover the sinister world of Limbo and find your sister.
- Solve puzzles: On your quest, you must solve numerous puzzles, which are of great importance for your progress. You often need to find ways to continue your journey, e.g. by flooding abysses or create new paths. Of course the puzzles become more and more difficult and challenging as the game progresses. But no matter how difficult the puzzle is, all you need to solve the puzzle is in your immediate vicinity.
- Avoid dangers: On your way through the gloomy world of Limbo, dangers await you regularly, which you have to avoid. Decide carefully, which way you want to go: Dangers such as huge spiders or hidden traps are waiting to stop you.
- Enjoy a unique atmosphere: Limbo convinces with great graphics. Since the game is completely black and gray, the dark and depressing atmosphere of the game is optimally transported. This atmosphere is also supported by a really good sound. Because of this, playing is even more fun.

Conclusion: Limbo is a really successful puzzle game, which manages to create a gloomy and oppressive atmosphere that goes perfectly with the gameplay.
