On your way to become the most powerful cartel boss, you will regularly encounter characters and content that you already know from the series. Choose Plata or Plomo, increase the profit of your cartel, and join forces with other players from around the world to become the most powerful cartel in Colombia.

****Narcos: Cartel Wars - Features:****

- Become a cartel boss: In Narcos: Cartel Wars you can experience the dangerous world of the Colombian drug cartel close up. You play a powerful cartel boss who wants to lead his cartel to the forefront of power. As a cartel boss, of course, you have a variety of tasks to do to ensure the survival of your cartel while making as much profit as possible.
- Plata: If you choose to be defensive, building a strong defense facility is of utmost importance. This protects you reliably against attacks from enemy cartels or agencies. To build your defenses, you have to hire Sicarios, which you can continually upgrade and collect throughout the game.
- Plomo: Even if you want to be offensive, Sicarios are of utmost importance. However, if you choose war and attack, the Sicarios are not used to defend your base, but to attack enemy cartels. When you defeat enemy cartels, you not only conquer their base but also their resources. But beware: The enemy cartels want revenge.
- Increase your profit: For a cartel boss, the profit of his organization is one of the most important aspects. To earn even more money, you have the possibility to equip your finca, for example, with own laboratories. In order to ensure that nothing goes wrong with the delivery of your goods and thus profit is lost, you must also choose safe smuggling routes.
- Forge Alliances: When you join forces with other players from around the world, you can push the dominance of your own cartel even faster and more effectively.

Conclusion: Narcos: Cartel Wars is an absolute must not only for fans of the successful TV series, but also for fans of exciting and varied mobile games.
