****Papa's Pizzeria To Go - Features:****

- Experience the everyday life of a pizza baker: In Papa's Pizzeria To Go you lead a small pizza shop in which you have to take on all the tasks. For example, you have to pick up the orders of the customers at the Order Station, top the pizza with the desired toppings at the Topping Station and then put it into the oven at the Bake Station. At the Cutting Station you cut the pizza into bite-sized pieces. Then you only have to serve the customer the finished pizza friendly and fast.
- Make your customers happy: Since you often have to deal with particularly critical or impatient customers in your pizza shop, you have to prepare the pizza very quickly and exactly. The happier your customers are, the more points you get. With more points, you can easily level up and unlock new topping or customers. In addition, a well-prepared pizza earns you tips, which you can use to decorate your shop.
- Beautify your store: If you have enough tips collected, you can buy new decorations in the shop and beautify your store. In total, over 140 different items such as posters or furniture are available.
- Many different ingredients: In Papa's Pizzeria To Go you can use many different ingredients for your pizza. You can unlock a total of 26 ingredients such as salami, ham, onion or paprika.
- Optimal adaptation for small screens: Papa's Pizzeria To Go has been specially adapted to the smaller screens of smartphones and tablets. For example, the whole game can be easily controlled with your thumbs.

Conclusion: Papa's Pizzeria To Go awaits you with numerous tasks, from the topping to the serving of the finished pizza. However, always make sure that you produce the pizza exactly to the wishes of the customers and that your customers are always satisfied.
