

Plants vs. Zombies 2

****About Plants vs. Zombies 2****

Plants vs. Zombies 2 is a popular strategy game in which players have to fight against zombies with the help of different plants. The aim of the game is to destroy every zombie and protect the own brain from the enemies like that.

In Plants vs. Zombies 2 you have to protect your brain from bad zombies. For that you have to deploy a strong army of plants which can attack the zombies with different attacks. Defeat the zombies, protect your brain and collect seed sachets to strengthen your abilities. Zombies 2 on your smartphone or tablet.

****Plants vs. Zombies 2 – how does it work?****

- Defend your brain:** In Plants vs. Zombies 2 bad zombies have zero in on your brain. Deploy a strong army of plants and defend your brain. Your plants can attack and destroy zombies by using different attacks.
- Different plants and zombies:** In Plants vs. Zombies 2 you find many different plants which can help you with their special abilities in your fight with the zombies. Besides sunflowers you find e.g. also special pea canons or laser beans which can destroy the zombies. But pay attention: There are also many different zombies. Special jetpack-zombies could risk an attack from above. Watch also out for the mean zombie chicken.
- Collect seed sachets:** If you win a game, you earn seed sachets. With the help of these sachets you can strengthen the abilities of your plants. Like that you can e.g. strengthen the attacks of your plant warriors, double their defense or teach them new fight techniques.
- Discover 11 worlds:** In Plants vs. Zombies 2 you can discover 11 different worlds. You have the possibility to fight the zombies e.g. in Ancient Egypt. At the end of each world the boss Dr. Zomboss is waiting for you. You can only defeat him if you have a strong army and a good strategy.

Conclusion: Plants vs. Zombies 2 is a strategy game full of action. Deploy a strong army of plants and strengthen the abilities of your warriors to defeat the mean zombies. Discover the motley world of Plants vs.
