## **\*\*Playdead's Inside - Features:\*\***

- Escape the guards: In Playdead's Inside, you accompany a little boy who's being chased by masked guards. Since the guards want to catch the boy at all costs, they use for example, vehicles, weapons or even dogs for their search. To prevent the guards from discovering you, you have to hide very well, run away or sneak past them secretly. Be smart and always be one step ahead of the guards. If you were caught by the guards, it is over for you.
- Solve tricky puzzles: As you escape the guards, you also have to solve tricky puzzles. These are particularly important for the further course of the game and your destiny. While the puzzles are relatively simple at the beginning of the game, the puzzles become increasingly difficult and complex as the game progresses.
- Discover plenty of places: During your flight, you will discover numerous deserted and spooky places. For example, you have to traverse an abandoned farm, make your way through a large factory, or make it through spooky labs. Every place has its own special features that you need to discover.
- Easy control: Playdead's Inside can easily be played on a smartphone or tablet as the game's controls are optimized for mobile devices. You can guide the boy through the different places with simple clicks and swipes.

Conclusion: Playdead's Inside is an exciting and atmospheric mobile game, which convinces above all by a first-class graphics and a good sound. The graphics and the sound of the game ensure that the gloomy and sometimes quite spooky atmosphere of the game is optimally transported.
