

Ski Safari 2

****About Ski Safari****

In Ski Safari, players need to rescue a brave skier from a dangerous avalanche. They have to steer him down a steep track and avoid many obstacles.

Ski Safari is a fast paced high score game in which you'll accompany a brave skier on his escape from a dangerous avalanche. Half asleep you'll be thrown out of bed by an avalanche alarm. To save yourself from the approaching avalanche, jump straight out of bed onto skis and head for the valley. On the steep slope, however, there are numerous obstacles waiting for you to jump over with simple taps on the screen. In addition, you have various animals such as penguins or eagles available that can help you. Your goal is to survive as long as possible and set a new high score.

****Ski Safari - Features:****

- Ride down the slope: In Ski Safari, you play an intrepid skier who was surprised by a sudden avalanche alarm early in the morning. Immediately you make your way to the safe valley. But on the way to the valley, there are numerous obstacles such as rocks, small huts or trees that you have to avoid. Only when you successfully avoid all obstacles and prove strong nerves can you escape the avalanche and arrive safely in the valley.
- Do tricks: You can avoid most obstacles by jumping over them. Your skier jumps when you tap the screen. You can not only perform normal jumps, but also more specialized tricks. For example, if you want to do a backflip, just press the screen longer. When you do tricks, you can even score more points.
- Count on the help of animals: On the way to the valley you will encounter animals again and again. These can help you enormously and give you a clear advantage. For example, penguins can slide over longer distances and have a high speed overall. Yetis convince by a high robustness, so that they can withstand even bigger obstacles like small huts. With the help of an eagle, you can rise into the air for a short time and hover over all obstacles. If you ride on an animal, you also collect more points.

Conclusion: Ski Safari is a fast-paced mobile game, which is also suitable for younger players due to its simple controls and its beautiful game design
