

Space Marshals 2

****About Space Marshals 2****

In Space Marshals 2, players once again take on the role of space cowboy Burton. In order to eliminate numerous galactic opponents, the right tactics are crucial.

In Space Marshals 2 you play the space cowboy Burton, who has fled with two comrades to a distant planet. On this planet many galactic opponents await him, who want the death of the group. Space Marshals 2 is a tactical shooter, which means that tactical action is more important than pointless shootings. For example, you can use clever maneuvers to distract your opponents or sneak up on them to ambush them. There are more than 70 weapons available, including shotguns, assault rifles, and mines, to fight your enemies. The game also offers you an exciting little story told in 20 missions. If you complete a mission successfully, you will receive great rewards.

****Space Marshals 2 - Features:****

- Prove a good tactic: Space Marshals is a tactical fighting game. This means that you can only win, if you have the right tactical approach. The focus of the game are not pointless shootings, but clever distraction maneuvers and stealth actions. For example, you can throw stones to distract your opponent and sneak past him or flank the opponent. In Space Marshals 2 fighting is not always necessary. Sometimes it is also advisable to avoid the enemy and to seek protection.
- Camouflage: Sneaking is an important part of the game. By sneaking up on opponents, you can attack them from behind and gain a clear strategic advantage. You also have the option to hack your opponents' turrets. For example, you can ensure that the turrets will always attack their builders in the future. It is also a good idea to bring enemy factions together in one place, so that they can fight each other and kill each other. Prove tactical skill and use your brains instead of your weapons.
- Expand your equipment: Sometimes you can not avoid a conflict. If you get into a fight, weapons are of great importance. For this reason, over 70 weapons such as shotguns, handguns, crossbows or assault rifles are available. In addition, you have a protective body armor and a large supply of grenades, which you can throw on your enemies.
- Complete missions: The game includes 20 missions that tell you an exciting story. If you complete a mission, you will receive a great reward.

Conclusion In Space Marshals 2 tactical skills are needed above all else. With the right strategy, you will get much further than with pointless gun violence.
