****Star Wars: Galaxy of Heroes - Features:****

- Create your own team: In order to gain control of the galaxy, you have to create your own strong team. You have about 120 known characters from the older as well as the newer films such as Star Wars: Rogue One or Star Wars: The last Jedi available. Choose the right characters, use their unique abilities, and decide whether you want to fight for the Light or the Dark Side.
- Defeat numerous enemies: In Star Wars: Galaxy of Heroes you have to face numerous enemies and enemy troops. When you defeat enemies, you cannot only make it to the top of the leaderboard, but you can also improve your characters' abilities. You can fight other players, for example in Squad Cantina Battles, in special PvP Squad Arena or in Squad Tournaments.
- Collect Spaceships: In Star Wars: Galaxy of Heroes, a strong air fleet is crucial. To build a fleet, you need strong spaceships and capital ships, which you can collect during the game. With your fleet you can, for example, compete in special Fleet Arenas and face numerous challenges.
- Create your own guild: You can play Star Wars: Galaxy of Heroes not only alone, but also together with your friends. For example, you can create your own guild and fight against strong bosses such as the Rancor. In addition, you have the opportunity to participate in exciting Territory Battles in which you can conquer new territories and make it to the top of the Territory War leaderboard. Gather all fleets and troops of your clan members and defeat enemy clans.

Conclusion: With Star Wars: Galaxy of Heroes, you can now experience the exciting world of the popular film series on your smartphone or tablet. Compete against enemy troops with your team, fight for your side and become the ruler of the galaxy.
