

Summoners War

About Summoners War: Sky Arena

Summoners War: Sky Arena is a role play for smartphones and tablets in which players have to survive in the powerful sky arena with the help of monsters.

In Summoners War: Sky Arena you become a powerful monster collector and conjurer. With the help of your monsters you have to compete in the powerful sky arena and fight there against players from all over the world for valuable Mana Crystals. Choose the right monster for the fight, use its unique abilities and play strategically clever. You cannot only fight alone but also compete in special guild battles or participate in raid battles. In the World Arena you can also fight against players from all over the world in real time.

**Summoners War: Sky Arena – how does it work?*

-Fight in the powerful sky arena: In Summoners War: Sky Arena you duel in the powerful sky arena. There you fight against players from all over the world for valuable Mana Crystals. You don't use your abilities for the fight, but your monsters' unique abilities. Choose the right monster from your monster collection, use its unique abilities and think of the best strategy to win the fight.

-More than 1000 different monsters: In order to compete in the sky arena with your monsters, you first have to find and catch them. In Summoners War: Sky Arena there are more than 1000 different monsters which all have different abilities. The monsters can belong to the attributes Fire, Water, Wind, Light and Dark. Possible monsters are for example dragons or wolves.

-Guild Battles: You cannot only compete alone against players, but also fight in guilds. These guilds can consist of up to 25 players. Build a strong guild, think of a good strategy and defeat the enemy guilds.

-Real-time Raid: In the special Raid battles you can compete against a powerful and strong boss in a group with up to three players.

-World Arena: In the World Arena you fight against players from all over the world in real time. Play against unknown players or challenge your friends.

Conclusion: Summoners War: Sky Arena is a strategically role play which impresses primarily with its excellent graphic. For the exciting fights in the sky arena not only a good monster selection but also a good strategy is important. Fight with several players against powerful and challenging opponents and show that you have what it takes to become the ultimate conjurer.
