****Tank.io War - Features:****

- Attack enemies with your tank: In Tank.io War, you control a tank over a large playing field. There you always encounter enemy tanks, which you have to defeat. Shoot enemies, wipe them out and get as many points as possible. If you defeat many enemy tanks, you will get a high score, which you can compare directly with the achievements of other players on the leaderboard.
- Improve your tanks: To defeat enemies even faster and easier, you can equip your tank with different equipment or upgrade it with certain extras. Make your tank unique and beat the high score.
- Become the biggest tank: The longer you stay on the field or the more points you get by firing enemy tanks, the bigger your tank will get. Since the tank gets bigger and stronger as the level increases, the right tactic is important.
- 80 different tanks: In Tank.io War you have a total of 80 different tanks available, which all have different structures or different characteristics. Choose the tank that suits your strategic plan best and can help you most in the fight against your enemies.
- 5 skins: In order that you can enjoy a little variety during the game, you have the choice between five different skins.

Conclusion: In Tank.io War strategy and the right tank are most important. Choose the best tank, upgrade it and fight against enemy tanks. Only if you defeat many opponents, you can get many points and make it on the leaderboard to the very top.
