

The Elder Scrolls: Legends

****About The Elder Scrolls: Legends****

The Elder Scrolls: Legends is a collectible card game based on characters and locations of the popular Elder Scrolls game series. Players must collect cards, put together powerful card decks and compete against players from all around the world.

Elder Scrolls: Legends is all about mighty cards. Your main task is to collect as many cards as possible and to put together a particularly strong card deck with them. With your deck of cards, you can play in either Campaign mode, Combat mode or Arena mode. While you play alone in Campaign Mode, you will encounter other players in Battle Mode or Arena Mode. To keep the game full of variety, you'll always discover new stories and maps in The Elder Scrolls: Legends.

****The Elder Scrolls: Legends - Features:****

- Collect mighty cards: The Elder Scrolls: Legends is a collectible card game in which you'll encounter familiar characters and locations of the Elder Scroll universe. Your task is to collect as many powerful cards as possible and build a strong deck of cards with them. Discover new card decks and cards over and over again and improve your cards steadily. That's the only way you can do it in Elder Scrolls: Legends.
- Campaign Mode: If you want to play The Elder Scrolls: Legends alone and experience an exciting story at the same time, Campaign Mode is just the right thing for you. Another big advantage of the Campaign mode is that you can earn new powerful cards, decks and decks of cards here. Experience a unique story while improving your deck of cards.
- Combat Mode: In Combat Mode, you compete against players from all around the world. Choose a deck of cards and find out who has better cards and a better strategy. You can not only compete against other players, but also against the AI.
- Arena Mode: In the arena, you will play against several players in a row. In addition, Arena Mode offers you the possibility to win extraordinary and great rewards. You can play the Arena Mode both alone and against other players. In the so-called solo arena, you will play against 8 opponents and a leader. Unfortunately, as soon as you take the third defeat you have lost the arena. If you prefer to compete against real players, you have to play against a total of 7 opponents.

Conclusion: The Elder Scrolls: Legends offers players many opportunities to play the exciting collectible card game from the Elder Scroll universe. The game provides a total of three different game modes, so there is always enough variety.
