## **\*\*The Simpsons: Tapped Out - Features:\*\***

- Experience a funny Simpsons adventure: The Simpsons: Tapped Out awaits you with a brand new and funny story about the most popular yellow TV family. After Homer accidentally started a meltdown and destroyed Springfield, it's up to you to rebuild the city.
- Meet your favorite characters: In The Simpsons: Tapped Out, of course, you'll meet all the popular characters of the TV series. During the game, you must collect as many characters as possible. Find Marge, Maggie, Bart, Ned Flanders, and many others and populate the new Springfield only with characters you like. You decide who becomes a citizen of Springfield and who does not.
- Full control over your citizens: In The Simpsons: Tapped Out, you decide what the life of the citizens of Springfield should look like. You have full control over all their actions. This allows you, for example, to provide for longer shifts of your citizens or for illegal activities of individual inhabitants. Create funny scenarios and make the lives of Springfield citizens as exciting and varied as possible.
- Design your Springfield: Unfortunately, as the former Springfield was destroyed by Homer, it's up to you to rebuild the city. Decide where each house should be located, how big your city should be, or which stores should enrich the business world of Springfield.
- Exclusive scenes and content: Since the game was developed by the authors of The Simpsons, you can look forward to many funny and exclusive scenes which were written and animated only for the game.

Conclusion: The Simpsons: Tapped Out is an absolute must for every Simpsons fan. In the mobile game you can experience brand new funny adventures with the popular TV family and create your very own stories.
