

UNCHARTED: Fortune Hunter ☒

****About Uncharted: Fortune Hunter****

Uncharted: Fortune Hunter brings the popular action series "Uncharted" on your smartphone or tablet. In this mystery adventure, players take on the role of Nathan Drake, who has to find over 50 fabled treasures with his friend Sully.

In Uncharted: Fortune Hunter, you experience the exciting story of treasure hunter Nathan Drake for the first time on your smartphone or tablet. In over 200 varied puzzles you have to prove your skills as a treasure hunter. Only if you can solve all the puzzles and overcome the chamber, you can find valuable treasures. In four spectacular worlds you can find over 50 treasures. To make the game even more exciting, each puzzle tells a unique story. A special feature of Uncharted: Fortune Hunter is that you can sign in with your PlayStation Network account. This allows you to use all the boosters and items that you have unlocked in the Mobile Game, also in "Uncharted 4".

****Uncharted: Fortune Hunter - Features:****

- Solve exciting puzzles: In Uncharted: Fortune Hunter, you play the role of the fearless treasure hunter Nathan Drake, who is accompanied by his loyal friend Sully. The game offers you over 200 puzzle rooms which you have to solve to progress in the game. Each puzzle room contains a tricky puzzle. Your job is to find a solution to the puzzle and overcome the dangers of each puzzle room. If you choose the wrong path, it can often be deadly for you. In Uncharted: Fortune Hunter, it does not matter how many moves you need to solve the puzzle. The only thing that matters is that you find the solution of the puzzle.
- Collect valuable treasures: Nathan Drake is a notorious treasure hunter. That's why your goal is to find all the treasures in the game. Over the course of the game, you can find over 50 treasures hidden in four spectacular worlds.
- Experience an exciting story: To make the game even more exciting, each puzzle is accompanied by an exciting story. For example, you must find treasures of notorious pirates or thieves, and learn more about their unique story.
- Connect to the PlayStation Network: Uncharted: Fortune Hunter gives you the opportunity to sign in with your PlayStation Network account. This has the great advantage that all boosters and items that you unlock in the course of the mobile games are also automatically available in "Uncharted 4".

Conclusion: Uncharted: Fortune Hunter convinces with thrilling action puzzles that are embedded in exciting stories. A special feature of the game is that you can connect the mobile game to the PlayStation game "Uncharted 4".
