

Vikings: War of Clans

****About Vikings: War of Clans****

Vikings: War of Clans is a MMORTS that is playing in the Viking world. The aim of the player is to become the most powerful conqueror of the Viking world. To do this he has to fight numerous battles against enemies, expand his city and fortress and prove a good strategy.

In Vikings: War of Clans you play a powerful Jarl who wants to have even more influence in the Viking world. To become the greatest conqueror among the Vikings, a strong army of fearless warriors is essential. With your army, you must fight numerous battles against players from all over the world to expand your empire's dominion. To keep your city protected from enemy attacks, you must continually improve both your buildings and your defense. For even more protection provides, for example, a clan, you can either join or found yourself. In addition, you have the possibility to complete special missions or quests and win great rewards there.

****Vikings: War of Clans - Features:****

- Become the most powerful conqueror: In Vikings: War of Clans you try on the role of a jarl whose goal is to become the most powerful conqueror of the Viking world. To achieve this goal, above all, a powerful army is of great importance. Build an army, choose the strongest warriors and equip them with special armor and weapons that make them almost invincible. Once you've assembled your army, your warriors can fight battles against other players from all around the world and conquer their territory. In order that your army becomes even stronger and seize even more cities, you must train your warriors on a regular basis or improve their hero skills.
- Build your own city: To protect you and your warriors against enemies in the best possible way, protecting your own city is paramount. Build powerful buildings, improve them steadily, and ensure that various defenses protect your city permanently from enemies.
- Complete tasks and quests: You can not only participate in exciting battles against enemy Vikings, but also complete special tasks or quests. For example, in these missions you have to fight invaders and protect the Viking kingdom. When you successfully complete a task or quest, you receive rewards that you can use to craft new armor or items.
- Get support: A clan can be helpful in fighting enemies and expanding your empire. You can either create your own clan and become its leader or join an existing clan.

Conclusion: Vikings: War of Clans takes you into the world of the Vikings. The game convinces with varied battles, quests and tasks, in which you always have to prove a good strategy.
