****Wormax.io - Features:****

- Build the longest worm: In Wormax.io, your primary goal is to become the longest worm on the field. For this you have to collect small colorful dots, which are scattered on the field. The more points you collect, the longer your snake gets. But beware: There are many other worms on the field that could block your way or eat the dots. Because of that, you have to be extra careful. Once you touch another worm, the game is over for you.
- Unlock special abilities: In order to collect even more dots and dodge opponents better, Wormax.io offers you various special abilities, which will be unlocked during the game. Once you reach 100 points, you can for example use the ability to immediately stop your worm. If you score 500 points, you have the opportunity to cross other worms temporarily without being harmed.
- Use Boosters: On the field, you can collect not only colorful dots, but also various boosters, which can help you enormously with your mission. With the help of boosters, you can for example automatically extend the length of your worm, attract food, or make your worm toxic for your opponents.
- Multiplayer or Single Player: You can play Wormax.io in either in single player mode or in online multiplayer mode. When you play Wormax.io in single player mode, you battle the computer. In multiplayer mode you fight against opponents from all around the world in real time. You can also invite friends to your game. Like that, you can easily find out who is the best Wormax player.

Conclusion: Wormax.io is a colorful game, which is suitable for younger players due to its simple game principle. The game is reminiscent of classic games such as Snake or Slither: In Wormax.io you also have to control a worm, collect dots to get longer and beware of other worms and obstacles. Special functions such as the boosters or the various abilities of the worms, however, make the game still modern and new. Wormax.
