

# Zombieville USA 2

## **\*\*About Zombieville USA 2\*\***

Zombieville USA 2 is the sequel to the award-winning zombie shooter Zombieville USA. Players control a character who has to kill as many zombies as possible.

In Zombieville USA 2, you experience zombie action at its finest. With your character, you move through the streets of an American city that is no longer populated by humans, but by zombies. Your job is simple: you must use your weapons to wipe out as many zombies as possible. To make your way through the zombie hordes, you have many different weapons such as rifles, pistols, chainsaws or baseball bats available. If you manage to kill many zombies, you can equip your character with new weapons, abilities or upgrades. Zombieville USA 2 can not only be played alone, but also in co-op multiplayer mode.

## **\*\*Zombieville USA 2 - Features:\*\***

- **Fight zombies:** Zombieville USA 2 is a zombie shooter. As you might think, your job is to fight a horde of zombies. You move through the streets of an American city that is inhabited almost exclusively by living dead since a devastating zombie apocalypse. Choose a character, equip yourself with powerful weapons and wipe out as many zombies as possible to set a new high score.
- **Unlock new items:** As the game progresses, you can unlock many new items and characters. For example, if you've scored many points, you can equip your character with new weapons, abilities, or other upgrades.
- **Multiplayer games:** Zombieville USA 2 can not only be played alone, but also in co-op multiplayer. Here you have the opportunity to play either with your friends or with random players from around the world. Unite your powers and kill more zombies together.

**Conclusion:** Zombieville USA 2 is a fun and action-packed zombie shooter that's packed with fun. If you play a lot and regularly, you will be rewarded in this mobile game: later on in the game, you can play with many different characters and use a large arsenal of weapons.
